## Family Prayer Walking Guide

God, we pray for anyone in our neighborhood that may be lonely. Please give us the chance to meet them and build a relationship with them.

God, we pray for someone in our neighborhood that our family can serve together. Maybe there is an elderly person who needs help taking care of their yard. The Bible tells us when widows are in trouble, we should take care of them (James 1:27). Point us to someone we can serve.

God, we pray for anyone in our neighborhood who needs encouragement. Please help our family write them a kind note and maybe bake some cookies to deliver to them. When we see people outside, give us the courage to say, "Hello!" Help us truly care about people in our neighborhood. We want to love them the way you love us.

God, we pray for anyone who may be new to our neighborhood. Help us find time to go and meet them and welcome them to the neighborhood.

God, we pray for anyone in our neighborhood that doesn't go to church anywhere. Give us the chance to invite them to come to church with us. Help us have conversations about Jesus and how much He loves us. Jesus came to save us from our sins, and that is good news! Help us to share the good news with our neighbors!

God, on Halloween, when so many neighbors are outside Trick-or-Treating, help us be a light in a dark world (Matthew 5:14). Help us love and encourage those around us. Help us meet new people and continue to pray for our neighbors. Use our family in powerful ways to tell others about Jesus.
