THF LIFENotes
Week of October 10

1. Share with your group your biggest challenge with living a balanced life. How can an increased focus help in achieving balance?
2. About what are you passionately focused? Share with your group. How can you translate THIS passion toward engaging others?
3. Randy challenged us to be present and focused with people as they enter our circle of influence. What examples from Jesus' life stood out to you for implementing in your own life? Discuss with your group.
4. Read Colossians 3. What things do you need to "put on" to look more like Christ as you interact with people in your home, workplace, or regular activities?
5. What action do you need to take this week to become more focused on Jesus and people? Share with your group.
