LifeNotes
Week of May 5th

Doug made the statement, “Faith that impacts your eternity is also a faith that changes your today.” **What are some ways that your today is being changed (right now) because of this faith?**

Doug mentioned Romans 8. Based on what he said based on the sufficient work of Jesus on the cross and the power of His resurrection –

What condemnation is the believer in Jesus spared?

How do you live a life that honors God and forsakes the mindset of ‘earning’ His favor and blessing?

What does it mean that we are ‘co-heirs’ with Jesus?

Doug asked us to write down some of the challenges we are facing and counter that with scripture praising God, what are some of the scriptures that God directed you to in the face of your battles? Share those praises and promises with each other.

What are some practical daily ways you can cling to the “garment of praise” when we aren’t gathered to worship.
