

- We are leaving The Heights Fellowship on **Monday, June 10th at 5:00 AM**. Please arrive at 4:30 AM and check in with the youth ministry staff before your students put their luggage on the bus.
- Our tentative return time to The Heights Fellowship is **Friday, June 14th at 11 PM**. It is your responsibility to stay updated on our return time. Please be to the church on time to pick up your students. There are several ways for you to stay updated:
 1. Facebook (facebook.com/THFStudents)
 2. Twitter (@THFStudents)
 3. Text “estespark” to 31996
- Because of the number of people going to camp, students will be assigned to the bus or one of the vans. You will get that assignment when you arrive on Monday morning.
- Students will be assigned to a room at camp and cannot change without approval from Brandon or Joy. We will make sure that students are roomed with some of their friends! Students will get their room assignment once we arrive at camp.
- Student Life does not require medicine to be given to a camp nurse. If you do not trust your student to take their medicine, please turn it in to Brandon and include a **typed** piece of paper that details the name of the student, the name of the medicine, the dosage, and when the student needs to take the medicine.
- Students need to bring **money for three meals**: (1) lunch on the way there; (2) lunch on the way home; (3) dinner on the way home. We will not stop for breakfast on the way to camp, so have your students bring something! If you do not trust your student to keep enough money for the return trip, I will hold on to some of it for them!
- Students need to bring a **reusable water bottle** that they can fill at the cafeteria and water stations around camp.
- Please pack one **pair of clothes** that can get **dirty**!

- **Attendance & Room Checks:**

- Students will **check in with their small group leaders** several times throughout the day at camp: (1) Rise; (2) Bible study; (3) Recreation. They get one late warning before we pair them with an adult for the week!
- Every night at 11 PM we will do **room checks**. Students need to be in their rooms on time and they need to stay in their rooms after we mark them present. If a student leaves after room checks, they will lose their freedom for the rest of the week. There are no warnings. If it happens again, they will be sent home.

- **6th Grade Students:**

- We will have an adult at camp whose only job is to help 6th grade students transition to youth camp successfully!
- We will make sure that they are waking up on time, eating, and drinking water!
- 6th grade boys will be forced to shower!

CAMP THEME & DAILY BIBLE STUDY FOCUS

WHAT WILL YOUR STUDENT BE LEARNING?

CAMP THEME

We all want to belong. Whether it be in a family, a relationship, or a community, belonging to these groups gives us an identity and a sense of purpose. However, because of sin, many people are missing out on the most purpose-driven relationship of all. Those without a relationship with God lack an understanding of what it means to truly belong, to feel loved, and to have a proper perspective of the world around them. But through the life of His Son, Jesus, and through faith in Him, we receive access to a relationship with God, as well as the abundant life that comes along with it. God has given us a way to be in community with Him. At Student Life Camp 2019, students will learn that by faith and through the completed work of Jesus on the cross, God grants them access to His family.

DAILY BIBLE STUDY FOCUSES

Day 1: Access Granted

God offers us access to a relationship with Him through the completed work of Jesus on the cross. By faith, we become members of His family.

Day 2: Filtered Focus

Membership in God's family changes us and gives us a differing perspective on the world and the people in it. It's impossible to be in the family and to remain the same. We can experience each day with a focus on the hope that is found in Christ.

Day 3: When We Fall

Access doesn't mean we now live a life of perfection. Even though we stumble and fall, in His mercy, God draws us back to Him. He is a gracious God who wants a personal, deep, and full relationship with each of us.

Day 4: A Greater Calling

Now that we have access to this community, we must share that news with others. No matter who are you are or what you do, obedience to this calling is for all members of God's family.
